

IMAA fee schedule for calendar year 2023

Unanimously approved by the IMAA membership at the IMAA Annual General Meeting on Sept 10, 2019

1. SCREENINGS AND AUDIO PRESENTATIONS

Screenings of single channel film or video, or presentations of audio works. Events typically held over one or two evenings. These fees are based on two criteria: duration of the work screened/presented and exhibiting organization's annual operating budget.

IMAA defines "Annual operating budget" as the exhibiting organization's total annual revenues, averaged over the last three years. If the organization received revenues for acquisition funds or capital projects, these are excluded from the total. For organizations that report to CADAC, the exact amount can be found on line 4700 of the organization's financial form.
